**NOTICE**

Dear Students Friends I hope that you and your family are safe. Take care and stay safe.

All the students of Second, Third Year & Final Year B.E. and Second Year M.E. (of current session 2020-21) are hereby informed that you have to pay remaining fees as second installment on or before 1<sup>st</sup> November 2020. Your Winter 2020 Examination Form will be accepted on the basis of it

As per the university norms 75% attendance is mandatory to become eligible for appearing in final university examinations and to be eligible for scholarships of Central and State Government. Even it is equally important that every student should have at least 75% attendance to become eligible for participation in any institute and departmental level activities. If they fail to attend regular classes then they will be held responsible for the actions taken on them.

All the students are hereby informed to check whether they are having valid Identity Card for the Session 2020-21 and Uniform with them. While reporting to institute for any reason you should be in uniform and it will help the security persons. It may be possible you may send back if you doesn't have Valid Identity Card and uniform, you may get hurt.

All the students are hereby informed that they have to check their valid Professional Society Memberships of Computer Society of India (CSI), Institution of Engineers (IEI), Indian Society for Technical Education (ISTE), Institution of Electronics & Telecommunication Engineers (IETE). If they do not have valid membership they have to contact to concerned department to get it done, it makes difference when you enter in to field. I am suggesting doing maximum membership. You are also informed to create your Facebook profile and even more important LinkedIn Profile (Professional Profile) so that you are ready for opportunity. Another Important activity which we have in this Session 2020-21 is IEEE conference which is scheduled on 30<sup>th</sup> December 2020 in online mode in association with IEEE, CSI and MG Aricent Pvt Ltd. All the student has to explore the event by submitting the paper for this event and this paper will go in IEEE explorer. Another milestone we have with our institute is recently we have got Nodal Center of Virtual Lab of IIT Bombay. Students are informed to explore the virtual lab for various software available at IIT Bombay in online mode. (By seating in college you are able to make use of software available at IIT Bombay)
